

LITTLE ABE AND SARAH DRESS UP

This year we will be doing things differently for the Little Abe and Sarah dress-up event. You can wear an elaborate costume or use construction paper to create a hat and beard.

Whatever you want to wear to become Little (or Big) Abe or Sarah, **be creative and have fun!**

We encourage parents and family members to participate as well.

Take a trip to one of our historic sites to take pictures or shoot a video and submit it on Facebook at www.facebook.com/lincolndayscelebration
